FRAUD EXPOSED: INSIDE THE LATEST SCHEMES AND HOW TO OUTSMART THEM IN FIRST-PARTY COVERAGE

TUESDAY • NOVEMBER 12 • 2024
1-2 P.M. EASTERN

The webinar will explore modern fraud schemes, including inflated estimates, suspicious jewelry thefts on new policies and questionable relationships between the plaintiff's representatives. Our attorneys will cover strategies to tackle these issues, such as examinations under oath (EUOs) and subpoenas, along with ethical considerations like maintaining objectivity and confidentiality. Practical examples will be provided throughout to illustrate how these approaches can effectively prevent fraud in first-party coverage claims.
