# CLEANUP ON AISLE FOUR: HOW TO HANDLE SLIP AND FALL INVESTIGATIONS

THURSDAY • APRIL 24 • 2025  
1-2 P.M. EASTERN

This webinar will introduce you to some of the basics of slip and fall law in Georgia, including requirements to establish liability, the evidence needed for a potential summary judgment, what Georgia courts deem a reasonable inspection and how spoliation is being used to trip up premises owners in adequately defending their cases. By pointing out the relevant areas of law on this issue, the attorneys will offer a better understanding as to why insureds should employ certain investigation techniques as early as possible.
